

## Work meeting in the framework of the Erasmus+ project

On August 21, 2019, Dr. Marek Frankowicz (Jagiellonian University, Krakow, Poland), Project coordinator and Prof. Vadym Zakharchenko (National University «Odessa Maritime Academy», Odessa, Ukraine), National project coordinator in Ukraine had a work meeting.

Dr. M. Frankowicz and Prof. V. Zakharchenko are the main authors of the ERASMUS+ programme project application “Qualifications recognition support for Ukrainian universities (QuaRSU)”, which became the winner of the 2019 Call for Proposals under European Union ERASMUS+ Programme for Capacity Building in the Field of Higher Education Action for cooperation projects.

The Project foresees the approbation of the best European practices in recognition of educational and professional qualifications and learning outcomes including formal, non-formal and informal at Ukrainian universities.

The project partnership includes higher educational institutions, professional organizations and qualification authorities of Ukraine, Poland, Estonia, Ireland, and Portugal.

During a working meeting, Dr. M. Frankowicz and Prof. V. Zakharchenko discussed and agreed on a plan of priority actions to prepare and launch the project, organize effective interaction between partners.
