

## **Erasmus+ Capacity Building in Higher Education Grantholders' Conference**

Erasmus+ Capacity Building in Higher Education Grantholders' Conference took place in Brussels, Belgium on 27-28th January. The conference was organised by the Education, Audiovisual and Culture Executive (EACEA) with participation of the representatives of Directorates-General of the European Commission, EU Delegations to the partner countries and Erasmus+ National Agencies and Offices.

“Qualifications recognition support for Ukrainian universities (QuaRSU)” project was represented by Dr. M. Frankowic the Project Coordinator (Jagiellonian University) and Prof. Vadym Zakharchenko, National project coordinator in Ukraine (National University «Odessa Maritime Academy»)

The event was aimed to familiarize the winning projects teams of 2019 with the regulations of CBHE projects implementation, to address in detail practical issues, to establish cooperation between them as well as to reveal the experience of different countries in the project implementation.

About 420 participants from 79 countries took part in the Conference.

Winning projects teams from higher educational establishments of Ukraine were given the instructions about new regulations and features of the Erasmus+ CBHE projects implementation. They also made new contacts and established communication with the representatives of the Offices and Agencies, which will create a synergy and contribute to the maintaining proper level of the Erasmus+ programme implementation for Ukrainian stakeholders.
