

On-line meeting, 22.05.20

On May 22, 2020, a regular online meeting of the QUARSU project took place. The meeting was attended by representatives of the vast majority of the Ukrainian partners. During two hours the project partners exchanged views on issues related to the analysis of the experience in reference to the qualifications recognition and support needs in Ukraine. There was an interesting and fruitful discussion on the methodological issues of the work package №1.
