

First webinar within the QUARSU project

On July 15, 2020, the first webinar within the QUARSU project “Qualifications recognition support for Ukrainian universities” took place. The webinar was focused on the recognition of the previous learning outcomes. During the four-hour webinar, European project partners from Ireland, Portugal, Poland and Estonia shared their experience in recognition of the prior learning. The webinar was attended by more than 60 participants from Ukrainian partner organizations, representatives of the Ministry of Education and Science of Ukraine, Ukrainian office of the “Erasmus+” program and the expert community in the field of higher education. According to Prof. Marek Frankowicz, project coordinator and Prof. Dr. Vadym Zakharchenko, national coordinator the experience shared by the European project partners is extremely important for Ukraine.
