

Online meeting, 13.05.2021

On May 13, 2021, an online meeting of QUARSU project partners took place. The meeting was attended by the project coordinator and representatives of all Ukrainian universities working on the project (10 people in total). During the meeting the participants considered the following issues:

1. Composition of the tender committee.
2. Rules of work of the tender committee.
3. Equipment specification.
4. Text of the announcement in reference the purchase of equipment.
