

Meeting on the basis of the Jagiellonian University

The Jagiellonian University in Krakow (Poland) organized a training course on the subject of recognition of prior education and organization of international academic mobility.

The meeting was attended by representatives of Ukrainian universities and institutions that are the partners of the project consortium. During the event with Ukrainian participants worked the following speakers: project coordinator Professor Marek Frankovych and his colleagues from the office of scientific projects, the academic support center and the career center of the Jagiellonian University; representatives of the Warsaw University of Economics; the head of the National Erasmus+ office in Ukraine Svitlana Shytikova; representative of the Ministry of Education and of Sciences of Ukraine Serhiy Shkabko.
